Dear Rick,

On behalf of all the team at VMR Bribie, I would like to thank you for your support and understanding of our specialised needs for our radio tower upgrade. We would have no hesitation in recommending TowerForce to anyone who would require any type of radio mast work. Your professional team working on our mast have been great, very helpful and completed our job very quickly. This upgrade has enabled us to keep our water ways safer by enhancing our radio communications with vessels within our area.

Kind Regards

**Peter McNamara**
